# A growing need for help...

West Valley Community Services is a 501(c)(3) nonprofit organization that has been providing safety net services to low income and homeless individuals and families in the west valley region of Santa Clara County for **45 years**.

The mission of West Valley Community Services is to unite the community to **fight hunger and homelessness**.

Our work is guided by the vision of a community where **every person has food** on the table and **every person has a roof** over their head.
